B

Individual, PERSONAL measures from 2020 onwards

Buy locally and in a targeted manner

Buy glass bottles and re-use them, do not buy PET bottles.
Even better: drink tap water from a personal drinking bottle

Drink tap water

Buy unpackaged, fresh, seasonal fruit and vegetables from the region

Do without meat

Buy efficient electrical appliances

Separate waste: compost / paper / recycling / residual waste

Become self-sufficient

Take holidays in your local area

Make trips on foot or by bicycle / e-mobile

Wash in eco mode

Collect rainwater and surface water

Improve the insulation in your house and roof

Use regenerative forms of energy when building/even better: renovate old buildings

Build in a practical manner (without pool)

Use residual heat to cook and bake

Avoid capsule coffee machines

Install bee/insect hotels in your garden

Install green roofs

Do not use single-use cups, prefer washable dinnerware

Prefer electric vehicles over combustion engines

Make use of your right to vote (local/state/federal elections)

Inspire your friends to "Go Green"
