PRODUCT DESCRIPTION:

SCHEDULING:

When is the investment planned?

When is the machine scheduled for starting production?

Requested delivery date?

General technical data

Measuring unit

Value

Minimum diameter of workpiece

mm

Minimum height of workpiece

mm

Maximum diameter of workpiece

mm

Maximum height of workpiece

mm

Maximum length of workpiece

mm

Maximum length of cut-off

mm

Total maximum weight of workpiece

kg

How many axes are to be cut?

1 / 2 / 3

• Automatically

• Manually

Length of initial incision min. and max.

mm

Length of remaining part min. and max.

mm
